3-D/CAD ♦ PRODUCT DESIGNER ♦ ILLUSTRATOR ♦ ANIMATOR

Creative Professional known for creating exclusive merchandise/products for presentation or production. Special talents include graphic design, book illustration, web design, voice-over, video editing and 3-D modeling. Proven ability to build and nurture professional relationships. I've worked on national ad campaigns, small businesses, and everybody in between. Years of experience have given me talents beyond graphics, and I give all my projects 110%
