*3796 Five Mile Road
Traverse City, MI 49686
231-649-0883*

Career Objective: Practicing professionally since 1988, I have focused my talents in hair and make-up artistry towards the production industry. Working on a wide variety of print, television, film and live performances has given me the knowledge to work in numerous lighting and finish medium situations. My ability to be a team player, flexibility in my work space, and willingness to jump in and help with other areas on set makes me a great addition to any production crew.

Education: 1987-88 Horst International Education Center for Cosmetology
Minneapolis, MN
1989 Advanced Hair Techniques
Ann Arbor, MI
1990 Make-up Magic
Orlando, FL
1990 Hair and Make-up Under the Bright Lights
